Panoramica

Punti di forza

Light, easy-to-fit and quick to adjust for ready acceptance Excellent durability The strength and good anti-abrasion properties of the polyester webbing bring the benefit of safety and long economical working life. The double-sided webbing improves wearer comfort. Easy-to-fit The two-tone webbing facilitates the identification of the different straps for easier fitting. Safety All Koala harnesses are equipped with an ergonomic extension to facilitate dorsal anchorage. The harnesses are all fully adjustable for a perfect, comfortable fit.

Normative

- EN 361 - All Miller harnesses are CE certified and comply with EN 361 and, where necessary, with EN 358
